

## Welcome Message

Annual Forums is proud to announce the Global Conference on Smart Materials, Functional Structures and Engineering, to be held on April 05 & 06, 2027 in Sana Malhoa Hotel Lisbon, Portugal and 07 April, 2027 via Zoom platform.

Focused on the theme “Smart and Functional Materials: Translating Research into Real-World Applications,” the conference brings together professors, researchers, scientists, industry professionals, and students from around the world to share knowledge, research, and emerging ideas.

The program features keynote lectures, technical sessions, workshops, poster presentations, panel discussions, and industry exhibitions, offering valuable opportunities for networking and collaboration.

We warmly invite you to join us in Portugal to exchange ideas, explore innovations, and advance your professional journey.

Best regards,  
Functional Materials 2027  
Annual Forums

## About the Event

Functional Materials 2027 offers an excellent platform for networking and collaboration in materials science and engineering. The conference provides dedicated interaction spaces, breakout sessions, and networking breaks, enabling meaningful engagement with global experts.

This international forum will feature keynote and plenary talks, a young researchers' forum, poster sessions, technical workshops, and career guidance, bringing together professors, researchers, scientists, industry professionals, and entrepreneurs from around the world.

The conference also offers opportunities for organizations to showcase their products, services, and innovations. We warmly invite you to join us at Sana Malhoa Hotel Lisbon, Portugal, and be part of this global exchange of ideas.
